FAMILY LITERACY DAY

TELL YOUR STORY

Have you ever wanted to write a book? This is your chance!

Use this starter kit to get writing, drawing, or coloring your very own story with your family.

Your story could be about **anything**, your favorite memory, a family trip, a dream, or anything you can imagine. (Draw some pictures if you like!)

Here are some questions you can ask to get started:

Who is your story about? _____

What happens? _____

Where does it happen? _____

When does it happen? _____

Why does it happen? _____

How does it end? _____

Next you can add details. Use your senses (what do your characters see, smell, taste, touch, & hear?)

Long or short, true or imaginary, submit your stories for a chance to **win some great prizes.**

There lots of ways to start a story, here are a few ideas:

”Surprise” everyone shouted...

It was a perfect day for _____, so no one expected it to go wrong...

I found some magic beans and when I planted them...

Once upon a time there was a _____...

Ready? Great! You can start right over here!

A series of horizontal lines for writing, consisting of solid top and bottom lines with a dashed midline, typical of primary school handwriting paper. There are 12 rows of these lines.
