

Gnome Puppet Instructions

Cut out individual pieces from template page.

Color each piece of your Gnome, the hat, beard, nose, body and shoes.

You can use markers, crayons or pencils crayons. Feel free to add any designs to the hat like stripes or polka dots.

Attach (Glue or tape) the beard to the body.

Attach the hat on top of the beard.

Attach the nose right underneath the edge of the hat.

Attach the feet to the bottom of the body.

Glue or tape your completed Gnome onto the popsicle stick to make the Gnome into a puppet.

Follow the same instructions to make a second Gnome.

Have fun playing with your
Gnome Puppets!
